THE 3RD MULTIMEDIA AND VISION MEETING IN GREATER NEW YORK AREA

June 14th 2013  http://gnymv.org

The City College of New York

CALL FOR POSTER S / DEMOS

The Third Multimedia and Vision Meeting will bring together multimedia and computer vision researchers and students from both academic and industrial research institutions in the Greater NY area. The poster/demo session will provide a forum for students and researchers to showcase their work and obtain feedback on ongoing research from knowledgeable attendees. We encourage submissions of poster/demo proposals in the area of computer vision and multimedia. New research, previews of work to be shown at upcoming conferences and descriptions of “work in progress” are all welcome.

Awards:
One poster and one demo, each, will be selected for “Best Poster” and “Best Demo” awards, based on relevance, impact, novelty, and quality.

Submission Instructions:
Applicants should submit an extended abstract of 500 words maximum to the following email address:

Posters: Michele Merler (mimerler@us.ibm.com)
Haibin Ling (hbling@temple.edu)

Demos: Quanfu Fan (qfan@us.ibm.com)
Lu Wang (lu.wang@sri.com)

The subject of the email must be “Poster/Demo Proposal-NY Multimedia and Vision Meeting”. Selected applicants will be notified and will receive instructions on how to prepare their posters or demos.
